Just What the Doctor Ordered

Some years ago, a doctor called in his staff to tell them of a medical experiment he wanted to conduct in his clinic. All their patients were to be treated with massive doses of kindness, care, and concern. As he expected he discovered that this love that was shown was conducive to healing. The amount of days that his patients were spending in bed were cut in half.

Did you know that the Bible has been telling us all along how important love is? In fact, it even tells us that God is love. God's love is something we can all have and we can all give away. Whether rich or poor, tall or small, old or young God wants us to share in His love. When you give someone, the gift of love you give them something that is divine.
