## **Solving All the World's Problems**

Just take a look at the news headlines and you will see problem after problem that humanity has created: wars, violence, murders, theft, scandals, abuse of power, the misuse of resources, immorality – the list goes on and on. What a mess we have made of this world! And with all of these problems comes heart-break, more troubling situations, and brokenness of homes and society.

Not to brag, but I believe that I have found the solution to all of the problems of the world. In John 16, Jesus had just informed the apostles of His upcoming crucifixion and what all would happen surrounding it. Then in v.33, He reminded them (and us): “In this world you will have trouble. But take heart! I have overcome the world.”

The solution to every trouble of the world is Jesus Christ. He can and will overcome any and all problems we humans create. If everyone would just get and stay in a relationship with Jesus, then they would be connected to the One who can overcome any problem.

If everyone would faithfully follow Christ and His teachings, then none of the problems of the world would persist. Knowing that, then why wouldn't we want to take the saving message of Christ to all the world (Mark 16:15)?
