The Changing Seasons

One of the times of year I like the most is fall. The leaves begin to change colors. The weather becomes cooler. It reminds me of what the Psalmist wrote: "The heavens declare the glory of God; And the firmament shows His handiwork." (Ps.19:1 KNJV).

God indirectly speaks to us through nature. When we think of nature we should be able to see God's beauty. We should be able to witness and feel God's power. Nature shows us how changes can come rapidly. Perhaps this is why Paul wrote: "For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse." (Rom. 1:20). Let us think about God and all his attributes as we see the changing seasons, but let us always remember that God never changes (Mal. 3:6; Heb. 13:8).
